The 8th Annual Top of the Lake Swap Meet & Auction on September 13, was a complete success! Marilyn said that they raised enough money to pay the heat bill in the new building for this winter! And maybe even a couple light bills! This was the best turnout we have ever had and we are grateful to everyone for participating.

Lots of items showed up including snowmobiles, parts, signs, etc. Everyone that entered received a blue raffle ticket and numbers were drawn for door prizes that had been donated by Kewadin Casino.

Marilyn was busy inside with lots of interested people looking through the Museum all day. It was rather chilly outside (but it didn't rain, as predicted), so the Museum was a great place to mingle, talk the "snowmobile talk," and get warmed up.

Darla Bonno
 — our new
 announcer!

The day ended with two auctions complete with Auctioneer Ted Postula (who donated his time & talents.)

The first part was an auction of donated items to raise money for Bill Labadie, son-in-law of Charlie & Marilyn Vallier. Bill was trimming branches off a tree when his safety harness broke and he fell 35 feet. He had emergency surgery to rebuild his F1 vertebrae and repair the F2. Fortunately, he was not paralyzed, but he has many months of recovery & rehab ahead of him. This auction raised \$2865 for Billy & Michelle and their 8 year old son, Owen. They were overwhelmed with the support from the snowmobiling community who so generously donated items and money for the fundraiser!

The second part of the auction also went very well for the Museum. A lot of people decided to auction off items that they did not

Latest Snowmobile Additions:

On Sept. 24, Charlie & Marilyn traveled to the Valley Camp Museum in Sault Ste. Marie, MI to pick up a 1961 Polaris Sno-Traveler that was sitting in the bottom of the ship for the last 25+ years. The Valley Camp called us to ask if we wanted their machine, and we said "yes!" The Corps of Engineers used this machine to tow the machinery out on the ice to measure the thickness of the ice and to test the depth of the soil for dredging the St. Mary's River. The Corp started testing for dredging in the late 1890's and used dogs and dog-sleds to tow the equipment. They were very excited to get this snowmobile in 1961! I bet the dogs were even more excited. This Polaris will be in the Museum in the near future.

1946 Allis Chalmers M7 (used during WWII)

New Event: St. Ignace Tractor/Snowmobile Show

Earlier this summer the Top of the Lake Snowmobile Museum was contacted by the St. Ignace Chamber of Commerce to explore interest in holding a snowmobile show in conjunction with the Owosso Tractor Parts Antique Tractor Show. One of the highlights of the tractor show is the annual Mackinac Bridge tractor crossing, with over 900 tractors crossing the 5 mile long bridge.

The Museum jumped at the opportunity to hold a snowmobile show at the Little Bear Ice Arena in St. Ignace on Sept. 5th & 6th, 2014. For a first year event, the Snowmobile Show was deemed to be a huge success with eleven exhibitors from three states showing a great mix of antique and vintage snow machines.

A highlight of the snowmobile show was the 1944 Allis Chalmers M-7 Snow Tractor designed for use by the U.S. Army Air Corp as a rescue vehicle in Northern bases. Only 291 M-7s were made for war-time use. The Museum thanks Don and Julie Reinbold Jr. of Reese, Michigan for showing this awesome piece of history.

With the tractor show and ride concluding at the parking lot of the Little Bear Ice Arena, there was a very large turnout of visitors to the snowmobile show. The St. Ignace Events Committee sponsored awards in six categories. Winners were: Best Black Sled, Tim Nadler's 1975 Ski Doo 245 RV; Best Red Sled, Randy McEwen's 1963 Polaris Sno-Traveler; Most Unique Sled, Larry Bicigo's 1963 Trailmaker with an ice auger; Mayor's Choice, John McGuirk's 1942 Model B Eliason; Best Tractor Manufacturer, Larry Boyle's wide track Wheel Horse Safari; and People's Choice, Don Reinbold Jr's 1944 Allis Chalmers M-7 Snow Tractor.

The show was also a big success in promoting the Top of the Lake Snowmobile Museum and many of the show's visitors showed interest in visiting the Museum. The Museum is looking forward to a return to St. Ignace in 2015.

1936 Westendorf

Fred Westendorf built this machine in 1936 to go ice fishing with on the Saginaw River in Zilwaukee, MI. It is the only one built. Fred was a machinist at Wicks Machinery in Bay City, MI.

Several of the features included retractable foot pegs. This made it possible for Fred to slide it into his Model A Ford. The rear drive wheel is spring loaded in the up position. When pressure is applied to the foot pegs, it moves the wheel on the back down, making contact with the ice or hard-packed snow.

The rear skis were widened for more flotation. The front ski was moved forward for better steering. The 1.5hp Briggs & Stratton engine was not powerful enough, so he bored it out to give it a little more power. This machine was purchased from Fred at an auction by Dan Boyse's dad. He took it to a show where it received the nickname of the "Pizza Oven." Fred also built small steam engines and an operating tabletop sawmill.

Owner: Dan Boyse, Clio, MI

Right: Last winter a group of riders met at the Starline Dock in St. Ignace and rode across the "Ice Bridge" to Mackinac Island. Charlie plans on taking a group again this year.

Shipwreck Museum Special:

Experience a special time of year at Whitefish Point and enjoy reduced rates in the restored 1923 USCG Crew's Quarters. This offer will last from April 1, 2014—May 31, 2015. Guests pay \$125 per night (standard rate is \$150) and members only \$100 per night. Included in this rate is a one year membership in the Great Lakes Shipwreck Historical Society. Call 800-635-1742 for more information.

Happy Anniversary to us October 19th!

It has been one year since we opened in our new building. My how time flies... And we have loved every minute of it! You need to stop in and see how much more we have added. The Budweiser drag sled was replaced by the Arctic Cat Boss Cat III; we added two more annual shows (St. Ignace Tractor Show and the Soo I-500 Vintage Show); we've made lots of new friends; and we changed our hours and are open every day 9-5, except Thanksgiving, Christmas, and Easter. Our attendance continues to grow every month, our gift shop continues to expand, we were able to get the stone work done on the building, and the front part of the driveway paved. We would not be where we are today without the support of everyone who has helped in any way. We wholeheartedly Thank You!!

In Memory of Bud Knapp (A Good Friend of the Museum) Snowmobile Hall of Fame Induction – 2002

Ernol "Bud" Knapp, Snowmobile Historian, started his interest in snowmobiling in 1965 and is internationally known for his vast personal wealth of information along with his well-known library related to snowmobiling. Bud's library may be the largest collection of printed matter in the world pertaining to the history of snowmobiling.

His dedication to snowmobiling had led him to attend snowmobile shows, conventions, and congresses in both the United States and Canada. He served a term as Vice- President and President of the Antique Snowmobile Club of America (ASCOA). Bud helped produce a weekly show featuring old snowmobiles, called "Snowmobile Scene" along with a national television show known as "PM Magazine" which was produced in his home. Bud wrote columns and articles for the *Michigan Snowmobiler Newspaper*, *American Snowmobiler Magazine*, *ASCOA Newsletter*, *Vintage Club of America Newsletter*, and the *Canada Antique & Classic Newsletter*. Bud's snowmobile knowledge earned him the name of "The Professor" of snowmobiles. Sadly Bud passed away on April 15, 2014.

"Oh the Places We Will Go!"

Places we have been:

- April – Charlie & Marilyn attended Bud Knapp's funeral. Snowmobile historian and friend, Bud Knapp, passed away this spring and his knowledge about snowmobiles and great sense of humor will be missed. We hope to have Bud's library here at the Museum in the near future.
- July – Newberry Car Show. We were invited to bring snowmobiles to the annual Car Show. With help from Larry & Patti Weinreis and Charlie Vallier, the car crowd enjoyed information about the snowmobile history.
- Sept 4, 5, 6 – Displayers brought snowmobiles for the St. Ignace/Owosso Tractor Show in St. Ignace, MI (See related article on page 3.)

Places we are going:

- Oct 31 & Nov 1: A-1 Show & Swap, New Lothrop, MI. A group of guys will be headed downstate with a trailer full of Museum items and a few snowmobiles to display and sell at this annual event.
- Nov 7-9: Novi, MI Show. Charlie & Marilyn will be going to this show to set up a Museum booth in the Vintage section of this huge show. This show is mostly for the new snowmobilers, but one area has been reserved for the "snowmobiling in the past" fans. You can find out more about it on the MSA website.
- Dec 6: Crivitz, WI Show & Swap. Charlie goes to this show every year, with Museum items to sell.
- Jan 3, 2015: Hale, MI Show. This show will have a Memorial Trophy for Tam Edgerton.
- Jan 17: MooseJaw Ride, Harbor Springs, MI. This is a new ride for us.
- Jan 30 & 31: Rapid River, MI Ride & Show. Another great ride on Friday & show on Saturday
- Feb 7: Sault Ste. Marie, MI. The Museum is hosting the Vintage Show at the Soo I-500. Contact the Museum to register and take your machine for a lap around the track before the start of the official race! (See article below.)
- Feb 20 & 21: Our annual ride on Friday & show on Saturday! Skiroule is the featured sled.
- March 13 & 14: Rogers City, MI. Great Ride on Friday, show on Saturday.
- March 21: White Pine Lodge Show & Ride, Christmas, MI. A great end-of-the-year ride & show on the shores of Lake Superior.

If you need anything, please let us know and we'll bring it to one of these shows.

Soo I-500, Memories At the Mile

Vintage Snowmobile Show

The Museum will again host the Annual Vintage Show at the Soo I-500 on Feb. 7, 2015. Last year was our first year as hosts and we had 45 snowmobiles make the Vintage Lap before the beginning of the official 2014 Soo I-500 race. There were 77 snowmobiles on display. Contact the Museum for more information.

New Building Report:

We are thrilled to report that the new building in our new location is working out above and beyond our expectations! We opened October 19, 2013, and our attendance has tripled or almost tripled every month. Donations continue to come in and we have met many great people from all over the U.S., Norway, Germany, France, and Austria. We are constantly making changes as our inventory grows. Thankfully, John Batchelder retired just before we opened and he has become a very important volunteer for us. We are all volunteers; if it happens that none of us can be here, we will post it on Facebook.

Building Update:

In July the building took on a new look – the stone was added and we were able to get the driveway entrance paved. Thanks to the great job Fred Edgerton, from Hale, MI, did on the stone, the building looks complete now! We also want to thank the volunteers (Sandy Ketcher, John

Batchelder, Charlie Vallier, & Bubba Price) who worked with Fred.

After the stone work was completed, Reith Reilly paved the front part of our driveway. We had enough funds left to pave up to where the parking lot begins. The parking lot will be a future project.
