The 10th Annual Top of the Lake Swap Meet & Auction was a complete success! Enough money was raised to pay the heat bill this winter! The rest will go toward the new J.A. Bombardier addition. There was a good turnout and we are grateful to everyone for participating.

Lots of available items showed up including snowmobiles, parts, signs, etc. Everyone who entered received a ticket and numbers were drawn throughout the day for door prizes that had been donated. Darla & Doug Bonno manned the outside area giving people updates and drawing door prize tickets. Great job Darla!

Marilyn was busy inside with lots of interested people looking through the Museum all day. It was 70 degrees outside and it didn't rain, as predicted (perfect!) The Museum is a great place to come inside and talk the "snowmobile talk" and check out new items.

The day ended with an auction complete with Auctioneer Ted Postula and his wife Sherry (who donated their time & talents.) The auction went very well. A lot of people decided to auction off items that they did not sell at the swap meet. There were 10 snowmobiles that had been donated to the Museum for this auction.

## Swap Meet &amp; Auction Cont..

Several items were auctioned off with proceeds going to the Museum. Many thanks to all who donated items. There were also many items that were sold for individuals. There were a lot of happy buyers and sellers! Raffle tickets were sold during the year and the drawing was at 3pm. See the list of winners in the Raffle article.

Thank you to all who came to be a part of the event, swapped, or were sellers/buyers at the auction. All proceeds collected will continue to support the Top of the Lake Snowmobile Museum. The Swap Meet/Auction next year will be Sept 16, 2017.

Darla and Doug Bonno

## Mackinac Bridge Crossing Dec. 17, 2016

Snowmobiles will be able to cross the Mackinac Bridge on Dec. 17, 2016! Run to your garage, dig out the vintage sled, make sure it has a rubber track and enough gas to make the five-mile trip across the Bridge, and join us for an authentic Bucket List event!

The only requirements for the snowmobiles are that they are 25 yrs & older, have at least 2" wide wheels (you don't want to get stuck in the expansion cracks!) and no cleats or studs. The machine also needs to be registered (either a regular license or the One-Time Historic license,) and riders need to wear a helmet.

This is the first year for this event, so please help us get the word out. The cost will be \$35 per sled, and includes the bridge fair and a lunch ticket for one of the three restaurants open in downtown St. Ignace. To register, call the St. Ignace Chamber: 906-643-8717 or call the Museum, 906-477-6298.

## Stop by to see this beautiful toboggan shelf built and donated by Dick Lesatz.

## New Board Members (by John Batchelder)

The Top of the Lake Snowmobile Museum has three new members on the Board of Directors: Larry Bicigo - Crystal Falls, MI; Greg Busch - Grand Blanc, MI; and Tom Hammond - Ortonville, MI

The new members will be a great asset to the Board and provide leadership for the continuing operation, planning and development of the Museum and its activities. They have already taken an active part in board activities. The new members join those currently on the Board: Charlie Vallier – Chairman; John McGuirk – Vice Chairman; Marilyn Vallier – Secretary/Treasurer; John Ketcher, Bruce Gustafson, Gene Beaudoin, and John Batchelder

The new members replace three charter Board members: Aaron Schroeder, Engadine, MI; Marilyn McArthur - Gould City, MI; and Arnie Frazier - Naubinway, MI

***We all are very grateful for the time served on the Board by the Board Members stepping down. They were key to the original development and operation of the Museum beginning in 2007.***

## J. Armand Bombardier Addition Update

On May 10, 2013, the Top of the Lake Museum had a groundbreaking ceremony for a new museum on US 2. Three years later, on June 6, there was another groundbreaking ceremony for the J.A. Bombardier Addition! Twenty two people came to help us celebrate. Local speakers were; Don Butkovich, Garfield Twp Supervisor; Dean Brodberg, Top of the Lake Communities Association President; Daryl Browning, representative for Graymont Limestone; and Jim Hill, Mackinac County Board of Commissioners Chairman.

The J. Armand Bombardier Museum in Valcourt, Quebec, gifted 33 rare and unique non-Ski Doo sleds to our Museum. We received the sleds in March, 2016. Museum staff and the Board of Directors immediately began plans to provide display space for them. The existing building was not deemed large enough to accommodate the sleds. After considerable study and planning, a 36' x 76' addition to the West end of the existing building was determined to be the best proposal. The Board of Directors approved the proposal. The Board also gave approval for Museum staff to apply for grants to fund major portions of the addition with Museum funds to be used to supplement the grant funding. The overall project was to be completed in two phases. Phase I provided an unheated shell with in-floor heat, completed roofing and exterior doors with basic wiring preparation (cost \$63,000.) Phase II provided a heating boiler, electrical systems, insulation, outside siding, a library/media room, landscaping and concrete sidewalk and approach slabs (cost \$55,000.)

Board Members: John Batchelder, John Ketcher, Gene Beaudoin, Charlie & Marilyn Vallier

Grant applications were made to the 2016 Graymont Economic and Community Development Fund Grant program for Phase I for \$30,000.00 and the Michigan Council for the Arts and Cultural Affairs Grant program for Phase II for \$55,000. The Graymont Fund awarded \$30,000.00, and the MCACA Fund awarded \$24,750.00.

### Building Fundraiser Form—501c3 Not-For-Profit Corporation

The Museum Board is seeking funding to support the new J.A. Bombardier addition. A business, snowmobile club, or person who donates will have their name on the Museum donor wall. Donors will receive a tax-deductible receipt. \$1000 donors will also receive either lifetime membership or a free banner ad on the Museum website for five years.

**Return form to: Top of the Lake Museum  
W11660 US 2 P.O. Box 2  
Naubinway, MI 49762**

The fundraising contribution will be used for support for the new Bombardier addition, and to continue the growth of the Top of the Lake Snowmobile Museum.

☐ Other    ☐ \$100    ☐ \$500    ☐ \$1000

Name/Business \_\_\_\_\_

Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Phone \_\_\_\_\_ Email \_\_\_\_\_

Amount \$ \_\_\_\_\_ ☐ Check    ☐ Cash    ☐ Credit Card (Please call with card information)

With the proposed 36' x 76' addition the final building will be the size that was originally proposed back in 2011/2012 but could not be accomplished with funding available at the time. (Note: The snowmobile trail still goes along the West side and South side of the Museum with more than enough room for proper grooming and riding.)

Work began on Phase I on June 12th and was completed on September 15th at a cost of \$63,234. Eleven contractors and 32 individual volunteers donated 719 hrs. of their time; and a donation of contractor labor time of \$7,290. Museum funds were used to supplement the Graymont Funds for Phase I.

Phase II work began on September 26 on the heating and plumbing system. Completion of the Phase II work is expected to be completed by the end of December with the library/media room, landscaping and outside concrete work completed next spring. Museum funds will supplement the MCACA grant for the completion of Phase II. The collection of Bombardier sleds will be displayed in the new addition along with a number of unique sleds currently in storage.

Donations for the addition can be made:

- 1) A **\$1,000 CHALLENGE** includes a life-time membership, or
- 2) a donation of **ANY DENOMINATION**.

The \$1,000 challenge currently totals \$17,000 and the "Any Domination" totals \$11,721. The Museum Board thanks everyone who has generously given of their time and/or money for the continuing growth of the Museum.

## Welcome New Members

If you would like to become a supporting member, or need to renew your membership, call the Museum. The cost is \$50 per year, and is renewed on your sign-up date.

## In Memory of Derrick Rasch

*We are so sad to hear about the loss of Derrick Rasch. We won't be able to make it to his funeral, but I wanted to post the plaque that Derrick had made for us in 2011. That was when we were in the old building South of US 2 in Naubinway. He was so good to us and he will never be forgotten!*

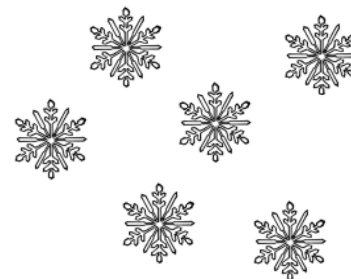

## St. Ignace Tractor/Snowmobile Show—Sept 9 & 10, 2016

The Top of the Lake Snowmobile Museum sponsored the Third Annual St. Ignace Snowmobile Show September 9 & 10, 2016 at the Little Bear East hockey arena in St. Ignace. The show was held in conjunction with the 9<sup>th</sup> Annual Tractor Show and crossing of the Mackinac Bridge. This year 1,326 tractors crossed the Mackinac Bridge for a new record.

The snowmobile show grew again this year with 15 participants showing 58 machines with a good mix of antique, vintage and vintage racing machines. With the tractors parked outside of the arena, a large number of the tractor folks took the time to view the machines on display inside the arena. Two snowmobile displayers even rode their tractors across the Bridge on Friday. Winners were:

Best Vintage .....	Tim Nadler .....	1976 Ski Doo 250RV
Best Antique .....	Greg Busch .....	1966 Ski Daddler & Cutter
Best Yellow .....	Larry Boyle .....	1965 Ski Doo Cutter
Best Red .....	Roger Hansen .....	Rupp Magnums (4)
Best Black .....	John Ketcher .....	Arctic Cat Display (4)
Most Unique .....	Ron Knapp .....	1971 Shark (on loan to the Museum)
Women's Favorite .....	John McGuirk .....	1963 Polaris K-70-D
People's Choice .....	Randy McEwen .....	1968 Polaris Super Voyager
Participant's Choice .....	Tim Nadler .....	1976 Ski Doo 250RV
Mayor's Award .....	Randy McEwen .....	1968 Polaris Super Voyager

The St. Ignace Events Committee donated a pair of tickets for the Mackinac Bridge Tower Tour. A drawing was held among the show participants. Roger Hansen won the raffle and elected to take the cash prize versus the Tower Tour tickets. The Tower Tour tickets were then raffled off with a high bid of \$700.00 going to the Museum's Building Fund. A great time was had by all in attendance and everyone is looking forward to next year's show, Sept 8 & 9, 2017.

## Mini Coopers Take the States and the Museum

On July 15th the “**MINI TAKES THE STATES**” adventure trip stopped at the Museum. Their trip began in Atlanta, Georgia, on July 9th, and finished in Palm Springs CA on July 23rd. The trip had a stop in St. Ignace at the Little Bear Arena on July 14th with the next day leg to Green Bay. The leg to Green Bay had a **SURPRISE & DELIGHT** stop at the Museum for a souvenir prize (an ice scraper.) You can see the Mini Cooper Event information and pictures on our Facebook page. Also, you may go the “Mini Takes the States” web site to see the trip outlined on a map. Go to each stop to see activities and photographs from the day of the stop. To check out the Museum stop, go to the Green Bay stop and click on the “Social” title to see the gallery of Museum photos. **It was truly a once in a lifetime event for us.** What a great bunch of people. The Museum was shoulder to shoulder people with a large line of visitors purchasing souvenirs. Outside was full of cars and people. Approximately 600 Mini Coopers were here. The “Mini Takes The States” is an every two-year event. This year’s rally had a partnership with “Feeding America” to raise money to feed families in need.

The Top of the Lake Communities Association joined in with hosting the event by providing free popcorn, cotton candy, soft drinks and water. Their volunteers included Kath, Nicole, Sophie, Kelly, Sharon, Tom & Dean and others. They had a table next to the entrance and made a big hit with the “**MINIACKS**”.

The Museum also had many volunteers to host the event including Sandy, Ree, Dan, Allen, John B., John K, Karen, Roger and many others. Roger and Dan helped the “**MINIACKS**” with traffic control. What a great job they did! Ree ran the cash register ALL DAY!! Karen maintained a constant run of taking photos of the event plus running errands. Alan and Dean put up and took down the “**WELCOME MINI COOPERS**” banners on the highway and at the big rock at the Museum. Sandy and John K. filled in on many areas to help make the visit a success. Tom P was stationed at the Model T and Steve K. at the Hus Ski display, answering the many questions.

Sam, from the Hiawatha Pastie Shop, provided lunch pasties for the volunteers. Thanks Sam! During the event we also had our second concrete pour for the addition by Robinson Concrete. Add to that, there was a delivery semi for the Family Dollar Store next door. Thanks to Kurt Robinson and the Newberry Redi-Mix truck drivers coached by Roger Jarema, all went off without a hitch. It was quite the site watching the concrete truck weave its way through the mass of Mini Coopers! What a great day! THANKS to all our hard-working volunteers!

## Featured Snowmobile for Issue #19: 1975 Ockelbo

This 1975 Ockelbo was one of the 33 Quebec snowmobiles donated by Bombardier. They had it in their museum. The Ockelbo sled began production in 1964 by the Ockelbo Industri AB in Ockelbo, Sweden. They were distributed in Sweden, Finland and Norway. None were sold in America as they were devoted to the European Continent. In 1970 they were the largest producer of snowmobiles in Europe. Many were used by reindeer breeders and for forest work.

This sled is powered by a 2 stroke Sachs 293cc fan cooled engine & weighs 353 lbs. Front & rear suspension is equipped with rubber bands for greater flexibility.

Over the years many different engines were used in the Ockelbo (JLO, Trioman, Sachs, Sachs Wankel, Lloyd, MAG (Motosacohe.) In 1975 Ockelbo was sold to Karolin Investi, who also bought Rajd Industri, AB Company, a rival snowmobile. As a footnote, we have had 12 people from Sweden here and they were excited to see the Ockelbo! One man from Sweden even donated an Ockelbo hat.

### Novi Show

Charlie & I were at the Novi Snowmobile USA Show November 4th-6th. What a great weekend for the Museum! We met so many people and got the word out that we are in the U.P. We also met some people who saw us last year and made a visit to the Museum during the year. We also sold some of our gift shop items, which will go toward our addition. Thank you to Leslie Chapman from the Adoba Hotel (across the road from us) and Michelle & Bill Labadie for helping us out at the booth! We'll be back next year, so look us up.

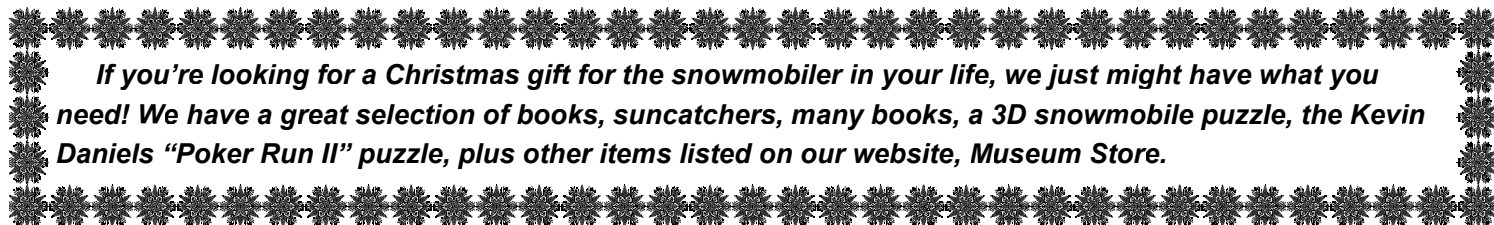

### Honda East Snowpen House Show, Maumee, OH.

The Museum has added a new event to our schedule. We were invited by Dan Cunningham to attend the Honda East Toledo-IVSA Snowpen House Show in Maumee, OH, which was held on Sept. 24. As a bonus for us, Dan collected donated items for a Silent Auction and the proceeds (\$835) were donated to the Museum for our addition!

Friday night we experienced our first trip to Tony Paco's Café in Toledo for the Meet & Greet. If you ever watched the show, "Mash", Klinger was from Toledo and he mentioned this café a few times. It is a legendary experience and we will look forward to going back there again next year!

The show hours were 9:30 – 3:00 and there were three award categories. The Silent Auction was from 10:00-2:00. We had a booth with Museum items for sale set up along with the Silent Auction, so it turned out to be a profitable day for the Museum! We want to thank Greg & Jackie Busch for coming to help us with the Museum booth.

Next year, the Honda East Show's Silent Auction will benefit the St. Germain Snowmobile Museum in Wisconsin. We will be there with our Museum store items. It's a fun, relaxing, friendly show and we hope to see you there!

***If you're looking for a Christmas gift for the snowmobiler in your life, we just might have what you need! We have a great selection of books, suncatchers, many books, a 3D snowmobile puzzle, the Kevin Daniels "Poker Run II" puzzle, plus other items listed on our website, Museum Store.***

## ROGERS CITY'S 13th ANNUAL ANTIQUE AND VINTAGE SNOWMOBILE SHOW

ASCOA Winter Meeting at the Rogers City, MI Show, by Dan Derry

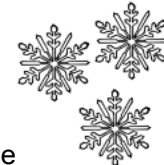

Rogers City's 13th show will be March 3 & 4, 2017 at the K of C Hall. This year we will host the Antique Snowmobile Club of America's winter meeting which will feature Polaris snowmobiles. Friday night will feature a cracker barrel event at the Hall where they talk and share stories. Saturday morning members will meet at Karsten's Restaurant for breakfast and hold their winter meeting. Snowmobile demonstrations at the K of C Hall in the afternoon will include oval and drag competition, a hill climb, and a log pull featuring antique snowmobiles. This is open to any registered Antique Club member on sleds built up to 1968. It is interesting and fun to see what these Antique snowmobiles can do.

The show begins Friday with an Antique and Vintage ride starting at the K of C Hall at noon. This is open to all snowmobilers, and will be about a 20-mile round trip ride to Millersburg, Gas and food will be available in the Burg. We recommend you have the proper registration on your sled for the ride. For those who choose to stay in town, the Hall has lots of room to play on your sleds, along with a bonfire and hot dog roast in the afternoon.

Registration for the show starts at 9:00 Saturday morning. The show and swap will run until 3:00. Dinner begins at 5:00 and will feature our popular white fish and pulled pork dinner. Awards and trophies will be awarded at 5:30 for the show and Antique Club demonstrations. We will also have our Chinese Raffle, 50/50 drawings, and a live auction following the dinner and the trophy presentations. There will be live entertainment both nights with a cash bar, and fun for all!

Lodging for the show: the Driftwood Motel, 989-734-4777 - (a block of rooms are reserved for Antique Club members;) the Huron Shores Motel, 989-734-4060; the Rogers City Motel, 989-734-0777; or the Captains Quarters Motel, 989-734-7866. We will also have a shuttle service for people coming and going to the show.

This will be a fun and enjoyable show. We want to thank the A.S.C.O.A. for choosing us to hold their winter meeting. It is a great honor! For more information, call Dan Derry at 989-351-8347, or Dennis Kamyszek at 989-351-9360. Hope to see you there. All events are open to the public.

### Diablo Rouge 50<sup>th</sup> Anniversary by Bruce Schoblaska

2017 marks the 50th Anniversary of the Bolens Diablo Rouge. To celebrate the milestone of this genuinely unique articulated design snowmobile, Go Go Diablo is planning an event to take place on January 14th, 2017 in the city of Port Washington, Wisconsin where the Bolens Manufacturing Plant was located.

We are planning a day of activities with local snowmobile clubs along with the city and parks system that will be sure to bring a large number of Hus Skis and Diablos from all over North America. Continuing with the celebration into the evening, there will be a banquet with a meal, presentations, guest speakers, (Charlie included), exciting video footage and a number of door prizes. For further information, please contact Bruce Schoblaska at 920-676-7562 or visit [www.gogodiablo.com](http://www.gogodiablo.com).

### Rustler Gets a New Look

A 1968 Rustler snowmobile was donated to the Museum by Ron Lyons, but it needed a new paint job. Earlier in 2016, visitor, Keith Stachiwicz, stop by the Museum. While talking to him, we found out he works at the Vo-Tech school in Kingsford, MI. Charlie mentioned the Rustler needed a paint job and the next thing we knew, on April 22, Keith called and said his students would do the work on it! As all great stories go, Charlie made a call to Larry Bicigo and he just happened to be going by the Museum, with a trailer! Larry lives close to Keith and he was willing to drop it off for us. We will see the Rustler at the Museum soon.
